**Suzie the schnauzer** outlines her spring calendar to Michelle Walmsley

I am very honoured to have been invited to take part on Sunday 10 April in the K9 9K charity walk which has been organised by Berkhamsted Lions. The walk will set off from the Hospice of St Francis grounds, following the public footpaths in that part of town, and I would be delighted to meet you there for sniffing and playing along the way while our owners chat about how wonderful we all are. I will keep my paws crossed that it doesn't rain, as I can cope with the mud but I do hate it when my fur goes curly. For an entry form go to: www.berkhamsted-lions.co.uk. Spring is the perfect time for acquiring a puppy so I thought you might like to know about Clarke & Marshall's puppy parties. All registered pups are invited to the surgery for two hours of socialising while their owners are informed about injections, local puppy training classes, how to brush our teeth and much more. I loved mine so much that four years later I still associate the vets with having fun. With any luck, your puppies will grow up to be just like me.
